Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who canceled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved post-secondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Cancellation of Enrollment Prior to Starting the Program: You may cancel enrollment for any reason prior to the start of the program. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid for attendance up to the first day of class or the seventh day after enrollment, whichever is later. The date by which a student can cancel their course is listed on Page 5 of the student enrollment agreement.

PROCESS FOR WITHDRAW, CANCELLATION OR DROPPING COURSE

1. Submit intention to withdraw, drop or cancel course in writing to the Director of Training (10727 Paramount Blvd., Suite 6, Downey CA 90241 Attention: Director)
2. The Director will review the Notice of Cancellation and Student's Enrollment Agreement
3. The student will be notified in writing of any financial obligations they have to the institution as per Program or Course Agreement or of any pending refund.

Students who obtain a student loan are responsible for full payment of the loan amount plus any interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds.

Course or Program Cancellation: If the institution cancels the Training Program before the first day of class, the institution will refund all money paid within forty-five (45) calendar days, minus the non-refundable STRF fee and registration fee. When funded by a third party (e.g. employer, workers compensation, or student loan), monies will be returned to the payee and not the student.

Return of course materials, textbooks, equipment and/or uniform: If the institution has given the applicant any equipment, course materials, textbooks and/or uniforms, the student must return the material in new condition to the institution within seven calendar days. If the student fails to return the equipment, course materials, textbooks and/or uniforms within the seven-day period, the institution may keep a portion of the payment they made that is equal to the cost of the material and refund the difference. The institution reserves the right to charge the student for the cost of any item NOT returned in new condition. The institution will issue the refund within 45 calendar days after receipt of the written cancellation and after receipt of any course materials, textbooks, equipment and/or uniform given to the student.

Notice of Cancellation must be in writing and signed and dated by the student or legal guardian. Withdrawal from the Program may be effectuated by the student's or guardian's written notice or by student's conduct, including but not limited to, a student's attendance.
